Cooley High School

Detroit, Michigan

As you know the year 1951 marks the 250th anniversary of our city, Detroit. Cooley has shared in only 23 years of that long span. Nevertheless, our school, along with the city, has grown and progressed during the past years so that it reached this crowning year simultaneously with Detroit. Where has this progress taken place at Cooley?

You recognized the picture on the first page as one of Cooley. The picture on this page is also of our school. The first shot was taken years ago, the second, only recently. Just as you can see that no change has occurred on the outside of the building, so you will realize many improvements have been made within the school.

The students of 1951 have worked with Mr. Emmons, Miss Farnsworth, Mr. Hiller, and our teachers to make changes that will have a big bearing on Cooley's future.

SENIORS

Our January Seniors, celebrating graduation, took their first trip to Grayling, Michigan, where they enjoyed winter sports.

ACTIVITIES

The Student Advisory Council, an organization for voicing and executing student opinions formed as a result of a student participation assembly, was created in November.

SPORTS

For the first time in ten years girl cheerleaders added freshness and spark to our school spirit as they led our victory cries.

STUDENTS

Freshmen met Cooley informally at the Freshman Mixer, a Student Advisory project which helped acquaint the new students with activities offered by our school.

FACULTY

As Cooley embarked upon its 23rd year, she was proud to have her first and only principal, Mr. Owen A. Emmons, continuing the supervision of her school year. Miss Mary F. Farnsworth and Mr. C. H. Hiller, assistant principals, were his capable aids. The administration consisted of 118 teachers, and eight clerical workers, as well as the lunchroom staff, the custodians, and the engineers.

JANUARY CLASS

Motto: "We have reached the bay. The ocean lies in view."

Colors: Navy Blue and Chartreuse.

Each senior year is jam-packed with excitement and activities. For the January Class the events to be remembered are the class elections . . . the 12B Play, "Quiet Summer" . . . the induction of 25 members into the National Honor Society in April and in December . . . rib-tickling 12A Day . . . the Prom at the Masonic Temple . . . and finally, the long-anticipated day of Commencement on January 23, 1951.

JUNE CLASS ⁵⁷⁰

Motto: "Peace rules the world when reason rules the mind."

Colors: Royal Blue and Silver.

The senior year for the June Class proved to be very eventful. Reviewing the extensive list of activities, we find some of the highlights to be the class elections . . . the 12B Play, "Life With Father" . . . the installation of 47 members into the National Honor Society in December and in April . . . fun-filled 12A Day . . . the Prom on June 19 . . . and then Graduation Day, June 21, 1951, the climax of high school life.

TO HONOR

Each semester the Cardinal Chapter of the National Honor Society inducts new members into its organization. Candidates are selected on the basis of scholarship, character, leadership, and service to the school, the community, and the country. Membership in NHS is the highest honor conferred upon a senior. The ceremonies were held on December 1, 1950, and April 25, 1951. The society is sponsored by Miss Mary F. Farnsworth and Miss Dorothy Roehm.

Row 5: Eliowitz (Coach), Rucker, Keppen, McCrae, Berman, McClune, Stoesser, Babcock (Coach).

Football

Football, a thing of the past until next year . . . and yet we cannot but remember that the Cooley Gridders completed another smashing season, and even though they didn't place first in the city or bring home a trophy, we're awfully proud of them.

We did, however, win two places on the all-city squad . . . Kyle Gourdoux, a place on the first team, and Fred Muns, a place on the second squad.

To the captain, Milt Karfis, the all-city fellows, and the rest of the team of '50 . . . "Thanks fellas!"

Reserve Football

Row 1: Schlafman, Avrin, Duquette, Grant, Kacherian, Forsyth, Talvalkoski. Row 2: Sanders, Miles, Crow, Daniel, Clank, Brisker, Greer. Row 3: Wilkel, Martin, Kentala, Baker, Adams, Davis, Buzette. Basketball

This year, although not conspicuous in the sports records of Cooley, was, nevertheless, conspicuous in the hearts of Cooley students. The Cagers made their way to the city semi-finals, but failed to beat the city champions, Cass.

Also outstanding in the hearts of Cooley sports fans are the members of the team . . . Ron McClune, Neil Redford, Nick Sica, Andy Worrall, and Bob Case.

BASKETBALL SUMMARY

It all began in 1701 when Cadillac first stepped ashore at the site of Detroit.

Soon the wilderness resounded with the ring of axes, the thud of falling trees, and so was built the military stockade that was to become

our great city. Today, after 250 years of progress, Detroit is still a growing metropolis, proud of its residential areas, its schools, parks and industries.

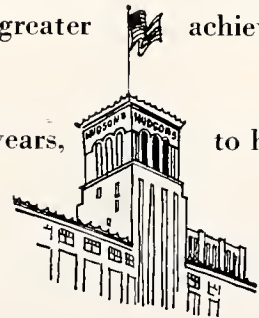

And you, as graduates of our city's schools, are the possessors of a proud heritage reflected everywhere in the vigorous activity that marks

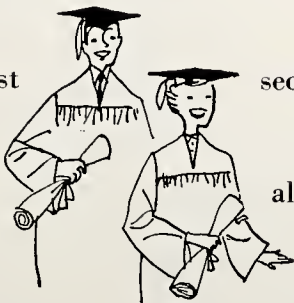

dynamic Detroit, in the challenge that it presents to you as its leaders of the future. Whatever may be your ambitions, your graduation can be a stepping stone to greater achievements.

Hudson's, too, is proud to have been a part of Detroit for the past 70 years, to have had the opportunity to live and grow with it, to share in our city's dreams

and accomplishments. We look to the future, confident in the knowledge that Detroit's aims and aspirations rest securely in the hands of its young people. Congratulations and good luck to all of you!

We're all boosting Detroit

On its 250th birthday, the people of Detroit pause in their busy lives to take a close look at their city. They see much to be proud of. They will see more tomorrow, as the great plans for new buildings and fine new expressways are completed. For the young people of today, the Detroit of tomorrow promises much.

Detroit people have come from all over the world to make their homes here and to produce things for themselves and for the world in Detroit's great industrial plants. From no other city in the world do more useful things flow.

Of the 500,000 men and women who build things in Detroit's plants, 100,000 are Chrysler people. These 100,000 and their families make up much of Detroit, working, producing, and taking part in all of the city's many activities.

From Detroit's fine high schools will come the young men and women who will maintain this great American city as the greatest producer of useful things in peace, the arsenal of democracy in emergency, and a good place to work and live.

Quality Comes First at Ford

For more than 40 years the name "Ford" has stood for performance, reliability and value. Today, as ever, through training, craftsmanship and pride in the job, quality is built into Ford products all along the line.

For quality is truly a Ford tradition—a tradition

that has won millions of loyal friends for Ford products. And the truest measure of the value of our products is the quality built into them—the quality that spells good service, long life and dependable, economical performance.

Today, as always, quality comes first at Ford.

... AND TELEPHONES

What have telephones to do with caps and gowns?

That's a question you didn't find in your final examinations. But Michigan Bell has the answer, and it's one that could be mighty important to you. Michigan Bell's business is telephone service. And graduates from high schools like yours are the kind of young women the telephone company likes to have as employees.

Because the telephone is so important in the modern world, Michigan Bell girls find a real thrill in their jobs. They receive excellent pay, too, right from the start . . . have good opportunities for advancement . . . make congenial friends . . . enjoy vacations with pay and other advantages.

So if you're graduating this month, and looking for that kind of a job, Michigan Bell may have one for you—an important job as cashier, teller, switchboard operator, clerk or typist. Why not drop in now at our employment office, 1365 Cass Avenue, Detroit, for an interview?

"A Friendly Place to Work"

Always QUALITY

FULFILLMENT of this pledge has been the primary objective of THE BRIGGS MANUFACTURING COMPANY for more than forty years. The success of this effort is clearly attested by the inbuilt fineness of all Briggs products, automobile bodies as well as plumbing fixtures. And equally important is the skill and know-how with which industry's most advanced mass production techniques are being applied to this basic Briggs quality.
